Rules and Information

- The area of Wisconsin we will be riding can be hilly. Appropriately sized wagons and properly conditioned teams are recommended.
- Wisconsin State Law requires that we keep a copy of all horses/mules coggins papers. Please bring a copy you can give to us.
- Friendly leashed dogs are welcome on the ride. You must clean up after them.
- We will have water available for livestock and bathrooms at every camp. We will do our best to have water and bathrooms at every lunch break but there are no guarantees.
- This is meant to be a family friendly ride. Unruly and/or intoxicated behavior will not be tolerated.
- Please clean up after yourselves at every camp. You will be advised as to where garbage can be put and if manure needs to be scattered or hauled to a spreader.
- We ask that you please cooperate with the scouts and wagon masters so that we can provide everyone with a safe ride.
- There will be a few meals provided/available. Details will be on the Facebook page as soon as things are locked down for sure.
- There will be a parade on Sunday. We understand that some will need to be on the road headed home by then but we would love if you would participate.
- More information will follow as we start to get an idea of numbers we will be expecting.
